Top Uptime, Relentless Infrastructure & Redundancy

With enterprise-grade infrastructure at the most densely connected interconnect site in the region, DAL3 is Cologix's second expansion in the renowned Infomart building. Ideally located for primary IT deployments that require 100% uptime and network performance, DAL3 offers 13,200K SQF at 1950 North Stemmons Freeway.

Unrestricted Connectivity

Cologix Dallas provides network neutral access to 50+ unique networks in the Meet-Me-Room (MMR), Cologix's robust ecosystem, other Infomart tenants and major cloud providers including AWS®, Microsoft® Azure, Google Cloud Platform™, IBM Cloud™ and Oracle® FastConnect.

Superior Power, Security & Redundancy Solutions

With 2N redundancy on UPS from three different utility substations using two automatic transfer switches (ATSs), two back-up generator and redundant cooling systems, the Cologix Dallas facility offers unparalleled resiliency, redundancy and security compliance including SOC 1, SOC 2, HIPAA and PCI.

Why Cologix Dallas?

Located in the Infomart building, the region's preeminent carrier hotel, Cologix Dallas provides diverse, unfettered connectivity to 56+ unique networks and access to abundant fiber in the region via a core Meet-Me-Room. Ideally situated at the major crossroads of network connectivity in the South Central United States, Cologix Dallas is perfect for primary IT deployments or latency-sensitive applications augmented by the ease of doing business with Cologix.

The Cologix logo features the word "cologix" in a lowercase, sans-serif font. A stylized blue swoosh or arc is positioned above the "i" and "x", suggesting a network or data flow.
